Pondering the Path Forward

3 Biggest Concerns

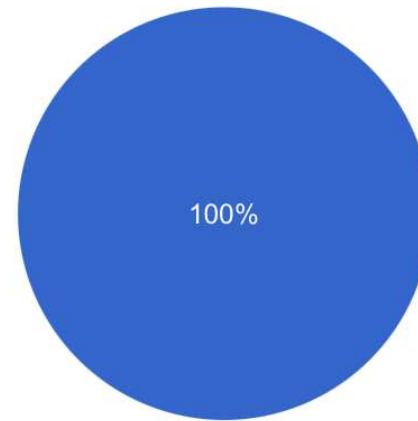

1. Easier Check-In Procedure
 - Set up several locations in front of the school with QR codes
 - Can check in front of school or with teachers
2. One pick Up location
 - Will bring older siblings up to for one pick up location
3. Students Wearing Masks/COVID testing
 - Governor/OCCL strongly encouraging masks for children over 2. We are taking the same stance for our primary and Pre K students while inside. Teachers will encourage students to keep masks on while inside the building. Fortunately right now, that is not for much of the day.
 - Our teachers get COVID tests at least monthly and report their results to me.

I _____ recommend CCEP to a friend.
